

## Latest Book: The Temperature of the Death Penalty

**Liu Renwen, *The Temperature of the Death Penalty*, Enlarged Edition, Beijing: SDX Joint Publishing Company, 2019.**

This book is the results of over a dozen years of in-depth study of the death penalty issue by Professor Liu Renwen, a research fellow at CASS Law Institute. Consisting of six chapters, it covers a wide range of issues relating to the issue of death penalty, which were arranged around the following topics: Ideal and Reality; Foreign Practices and Experiences; the Chinese Road; *jus vitae ac necis*; the Manner of Execution; and the Temperature of the Death Penalty.
